FUTURE PLANS

»»» NATURALORIGINS ENTREPRENEURSHIP TRAINING PROGRAMME

We aim at developing an Entrepreneurship training programme focused both on trainers in the field and young people with a migrant background. Through this training material we are going to aim directly on those target groups and offer a well structured training activity for their own needs. This work package is focused on the creation of 3 separate results that will address the following needs:

- The “NaturalOrigins Training Package”
- The “NaturalOrigins Train-the-Trainer Manual”
- The “NaturalOrigins Online Learning Space”

PROJECT COORDINATOR:

DOUMAG LTD, CYPRUS

»»» WORKSHOPS AND TRAINING

The partners will organise Workshops for trainers who work with young people in vulnerable position (particularly these of migrant background) and wish to deliver training that can facilitate social inclusion through the development of entrepreneurial mindset, focusing on the trade of natural goods.

Task 1: Train-the-Trainers Workshops: The first task of the work package refers to the preparation of a number of trainers and/or other professionals who work with young people in vulnerable positions, particularly those of migrant background, under the coordination of EGINA. To that end, partners will organise and deliver Train-the-Trainers Workshops to at least 20 trainers each.

Task 2: NaturalOrigins Trainings: Trainers who will participate in the “NaturalOrigins Train-the-Trainer Workshops” and the short-term training event in Italy, will deliver the “NaturalOrigins Training” to at least 25 young people with migrant background per country (in total 125). Under the coordination of EGINA, the delivery of the training will be implemented through blended learning, sinc
